Open Data Report – Dataset Publications for the Years 2024–2025

DMO - SDAIA

March 2025

Open Data Usage Report

Report Date: 13 March 2025

**Date of Next Review Schedule:** 16 July 2025   **Review Date:** 16 March 2025

Publishing Channels: Open Data Platform and the Official Website of the Saudi Data & AI Authority

Summary of Findings and Recommendations

Summary of Updates

Review Date: 16 March 2025
Results: Publishing the requested datasets and their metadata.
Next Review Schedule Date: 16 July 2025

User Feedback Analysis

Key Comments
Datasets for the year 2024 were requested for Nafath, Tawakkalna, and Ehsan platforms.

Action Taken
Updating the requested datasets.

Published Datasets

| Update Frequency	Last Updated Date	Dataset Name
Quarterly	2/02/2025	Donation Statistics for Ehsan Platform for the Year 2024
Yearly	03/07/2024	Statistics of Nafath Platform
Yearly	30/12/2024	Budgets of the Saudi Data & AI Authority for the Year 2024
Yearly	01/02/2024	Number of New Users on Tawakkalna Platform
Quarterly	02/02/2025	Quarterly Training Activities Statistics of SDAIA Academy for the Year 2024
One-time	07/03/2024	A Sample of Donations for 1,500 IDs on Ehsan Platform
Yearly	04/03/2024	Annual Report on the Training Plan of the Information Technology Institute for the Year 2023

Appendix of the Open Data Usage Report

Dataset Report

Dataset View Count Ranking	Date of the Dataset's Last Update	Dataset Publication Date	Dataset Name
1	2/02/2025	09/04/2023	Donation Statistics for Ehsan Platform

Geographic Distribution of the Dataset's Views

Details About the Dataset

Dataset Description

A dataset of the total number of operations for Ehsan platform, such as donations and projects.

Dataset Uses

It serves humanitarian and charitable organizations, government institutions, and individuals interested in supporting charitable activities.
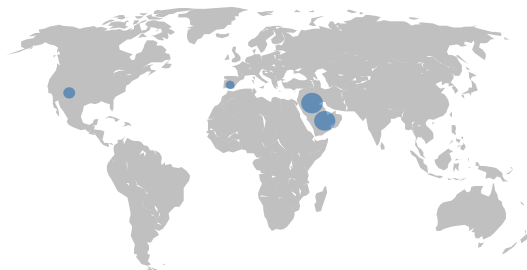

Appendix of the Open Data Usage Report

Dataset Report

Dataset View Count Ranking	Date of the Dataset's Last Update	Dataset Publication Date	Dataset Name
2	03/07/2024	09/04/2023	Statistics of Nafath Platform

Geographic Distribution of the Dataset's Views

Details About the Dataset

Dataset Description

A dataset of the total number of operations for Nafath platform.

Dataset Uses

It serves entities responsible for electronic services and applications, as well as those interested in the field of information technology.
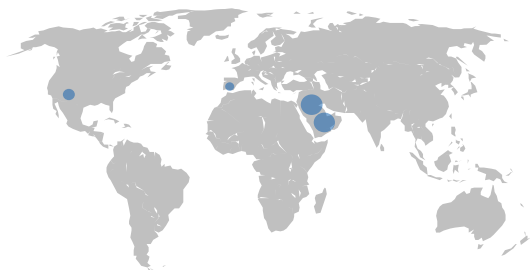

Appendix of the Open Data Usage Report

Dataset Report

Dataset View Count Ranking	Date of the Dataset's Last Update	Dataset Publication Date	Dataset Name
7	30/12/2024	08/04/2023	Budgets of SDAIA for the Year 2024

Geographic Distribution of the Dataset's Views

Details About the Dataset

Dataset Description

A dataset of the financial budget allocated to SDAIA and how it is spent.

Dataset Uses

It serves organizations, private entities, government institutions, and individuals.
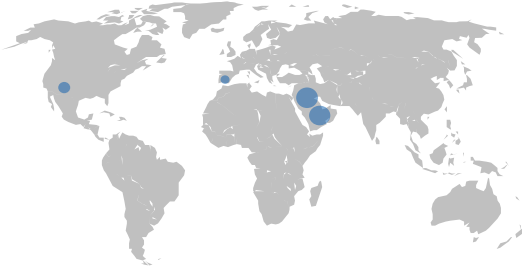

Appendix of the Open Data Usage Report

Dataset Report

Dataset View Count Ranking	Date of the Dataset's Last Update	Dataset Publication Date	Dataset Name
6	01/02/2024	24/01/2024	Number of New Users on Tawakkalna Platform

Geographic Distribution of the Dataset's Views

Details About the Dataset

Dataset Description

A dataset of the total number of new users on Tawakkalna platform.

Dataset Uses

It serves entities responsible for electronic services and applications, as well as those interested in the field of information technology.
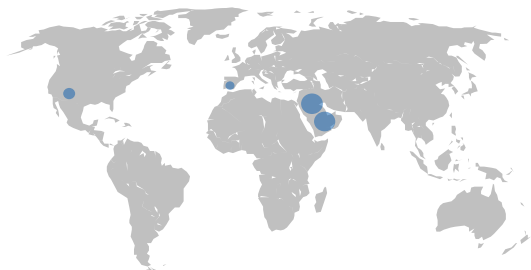

Appendix of the Open Data Usage Report

Dataset Report

Dataset View Count Ranking	Date of the Dataset's Last Update	Dataset Publication Date	Dataset Name
3	02/02/2025	08/04/2024	Quarterly Training Activities Statistics of SDAIA Academy for the Year 2024

Geographic Distribution of the Dataset's Views

Details About the Dataset

Dataset Description

It contains quarterly statistics of the training activities of SDAIA Academy.

Dataset Uses

It serves individuals, entities responsible for training and its quality, and those interested in the fields of data and artificial intelligence.
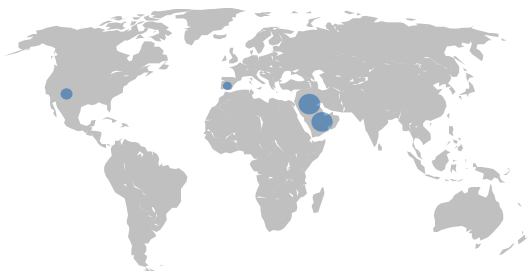

Appendix of the Open Data Usage Report

Dataset Report

Dataset View Count Ranking	Date of the Dataset's Last Update	Dataset Publication Date	Dataset Name
4	07/03/2024	07/03/2024	A Sample of Donations for 1,500 IDs on Ehsan Platform

Geographic Distribution of the Dataset's Views

Details About the Dataset

Dataset Description

A sample of 1,500 donation identifiers on Ehsan platform.

Dataset Uses

It serves entities responsible for electronic services and applications, as well as those interested in the field of information technology.

Appendix of the Open Data Usage Report

Dataset Report

Dataset View Count Ranking	Date of the Dataset's Last Update	Dataset Publication Date	Dataset Name
5	28/02/2024	28/02/2024	Annual Report on the Training Plan for the Information Technology Institute for the Year 2023

Geographic Distribution of the Dataset's Views

Details About the Dataset

Dataset Description

A dataset for the Annual Report on the Training Plan of the Information Technology Institute at the Saudi Data & AI Authority.

Dataset Uses

It serves entities responsible for training and its quality, as well as those interested in the field of information technology.
